VERSES:

I know I'm guilty, and I'm proud,
I know I'm guilty, sing it louder,
Don't try to tell me any lies,
Cause you don't fool me with your jive!

CHORUS

Now you got your reason for your words
And I got my reason to be heard.
Subordination is a drag,
And liberation is my bag!

CHORUS (call and response):

Well it's in-su-bor-di-nation!
In-su-bor-di-nation,
In-su-bor-di-nation,
In-su-bor-di-nation!

I don't want nobody over me
(I don't want nobody over me)
And I don't want nobody under me
(and don't want nobody under me)
And I'm gonna tell it like it's gotta be
(and I'm gonna tell it like it's gotta be)
You gotta have a little respect for me
(you gotta have a little respect for me)
